

Benefits on the Go!

TASC releases a new innovation for FlexSystem Participants: access to their account information from their mobile device.

TASC Mobile is our response to the rapidly growing wireless market in which our customers demand quick and easy access to important information from anywhere at any time.

These mobile features (and much more) are all-inclusive when you choose **FlexSystem** as part of your employee benefits program.

Your employees will enjoy these flexible options to securely check balances, view transaction details, transfer funds, request a reimbursement, and submit substantiation...*all while on the go!*

Free. Secure. Convenient.

Supporting paperless business for an eco-friendly environment.

Screen images are simulated.

Available for the following FlexSystem Plans:

Healthcare FSA, Dependent Care FSA, SIMPLE FSA, and Transportation Reimbursement Accounts.
