

The Employer Services Assurance Corporation (ESAC) is pleased to inform you that

Avitus Group

has successfully completed its March 31, 2010 verification process required for ongoing maintenance of its ESAC accreditation and has been accredited since November 30, 2005.

ESAC is the nationally recognized financial assurance, standard-setting and monitoring entity for the PEO industry. ESAC's quarterly verification process confirms that this PEO continues to meet ESAC's ethical, financial and operational standards including an independent CPA's verification of the timely and accurate payment of payroll taxes, employee benefit contributions and insurance premiums.

The performance of key employer responsibilities by this PEO is assured by ESAC's ongoing monitoring and is backed by bonds providing financial assurance to the PEO's clients, worksite employees, insurers and regulatory authorities. This PEO's accreditation demonstrates its commitment to protecting the public, insurers and regulators and to promoting a high level of integrity and responsibility within the PEO industry.

You may confirm this PEO's accreditation status at any time by clicking the "verify" link from ESAC's website at www.ESACorp.org.
